Mailing	Bill McElhinney	KA6LZI	325-9808

PAARA POLICIES

Membership in PAARA is \$6.00 per calendar year (payable in Jan), which includes a subscription to Paaragraphs. Make payment to: PAARA, P.O. Box 911, Menlo Park, Ca. 94026

Guest speaker for October 15:

Art Fury, WA6JLJ

Who will talk on "Latest MOS Technical Development Impacting Amateur Radio".

This should be an excellent technical presentation, so if you are a builder, would-be-builder, or just plain user, it promises to be an informative evening.... plan to attend.

Regular meeting

Friday, Oct 5, 1984, 7:30 P.M.

Menlo Park Recreation Center

Alma & Mielke

POST 599

October 4th is "Club Day" at Palo Alto High School. The Computer Club there will share a table with a group interested in forming an Amateur Radio Club at Paly. Post 599 will provide some radio gear for the demo: Since this is a school function, students will be doing most of the actual demonstrations.

Post 599 has also been invited to demo Packet Radio for the Computer Club at Paly (sometime after Oct 4th). I want to thank Wally Porter for his assistance in arranging these demonstrations of amateur radio.

The Post has just purchased an 800 Watt Honda generator for use on Post trips, emergency use, and for power on Public Service events like the annual Sequoia Century Bicycle Century.

This space reserved for you contributions on:
Technical Articles:
Local Events,
New of interest to the Amatuer community.

Hank Magnuski (KA6M)
at recent Foothill Flea market.

Alan (WA6AZP) contributed the following two items:

The ARRL QSO party (CW) is Oct 6 & 7. See Pg's
77&78 of the Sept QST magazine for details

The FCC has proposed the re-allocation of a portion
of the 160 Meter band to non-govermental radio
location services. (Editors note - if anyone else has
more specifics on this, I would appreciate the info).

PRESIDENTS CORNER

Missed the September meeting due to a conflicting event with my wife and the "friends of nursing". Second and third harmonics indicated Andy, VE3FZK did an excellent job presiding over the general meeting. Guest speaker for the evening was John Hultquist, K6GSS who talked on VHF/UHF contesting. John is a member of the N.C.C.C. and was instrumental in pushing the Pacific Division to a new high score in the July VHF/UHF contest.

The board meeting held at the club trailer on Sept. 12th was short, but accomplished several important tasks. First, a nominating committee consisting of Fred, K6YT; Gerry, WA6LNV; and George, GI3OEN was appointed to select next years officers and three (3) Board of Directors which are up for election. Both Alan, WA6AZP and myself have stated we do not wish to run for another term. So, now is the time to let the nominating committee know of your desires.

Second, the Board accepted all those who volunteered for specific duties at our annual Auction and Flea Market to be held October 6th at the Ampex Cafeteria in Redwood City. We expect an excellant turn out so please show up early (6am) to start things off. Doors will probably open prior to the advertized 9am opening for sellers. This has always been a money making event, so please participate in "your club's event of the year".

Third, since there was no apparent action taken by the sub-committee to re-write on outdated section of the by-laws; the Board of Directors (which included two members of the sub committee) came up with the revision required for Article X.. The present wording and revised text of Article X appear elsewhere in Paaragraphs and the voting of the propsed change will take place at the November general membership meeting. An absentee ballot will accompany the November edition of Paaragraphs for those not planning on attending the November Meeting. 73's, see you at the October 5th meeting and the following Saturday's Aution and Flea Market, good DX.

de KB6WP

ARRL is now publishing a bi-weekly packet radio newsletter call Gateway that should be of interest to beginning and experience packet radio enthusiasts. Subscription rates for ARRL members in the U>S> are \$6 (U.S. funds) for Third Class Mailing; and \$11 (U.S. funds) for First Class Mailing to the U.S., Canada, and Mexico. Add \$3 if you are not an ARRL member

(editors note - from Sept 84 QST)

By-Laws Proposed Amendment

Due to many PAARA members no longer residing close to the Menlo Park / Palo Alto area, and the drop in attendance at monthly general meetings the Board of Directors has determined that a change in the wording of Article X of the club by-laws is necessary to facilitate any future amendments.

Present wording of Article X. The By-Laws of the corporation may be amended by three-fourths vote of the membership after due notice as provided herein. Proposals for amendment shall be submitted in writing at a regular meeting of the corporation and may not be voted on until the next regular meeting.

Proposed wording of Article X. The By-Laws of the corporation may be amended by three-fourths vote of the membership present at a regular scheduled meeting after due notice as provided herein. Proposals for amendment shall be submitted in writing at a regular meeting of the corporation and may not be voted on until the next regular meeting.
